Year 6 cohort 2018-19 – Swimming Figures

This cohort of children visited the local swimming pool, The Swan Pool, each week during the Summer Term when they were in Year 5 to participate in swimming lesson.

Here are the swimming figures for this cohort as of July 2018.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	83 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	35 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	12 %
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No

The time participating in swimming lessons was more limited than we would have liked, due to the limited availability of the swimming pool.

To address the fact that 17% (12 children) in the current Y6 cohort cannot yet confidently swim 25m, we will address this by arranging for additional swimming opportunities later in the year.

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport
